

THE POLLIWOGS SUPERHEROES

an eco adventure

The Polliwogs proudly presents, **The Polliwogs Superheroes – An Eco Adventure!**
Jointly produced by our esteem partner; **Adam Khoo Learning Technologies Group.**

Through the theme of the environmental preservation, this weekly enrichment programme aims to progressively cultivate your child in their **S.T.E.A.M** (Science, Technology, Engineering, Mathematics) skills as they explore the main aspects of our environment in each term, namely water, air, land and nature.

In the form of a role-playing adventure, your child will take on the role as The Superheroes of The Polliwogs and embark on a journey of discoveries about the wondrous workings of Mother Nature.

With guidance from Dr Woggles (the trainer), your child will be encouraged to find solutions to the environmental issues that are happening around them through highly interactive games and activities.

In the process of investigation and problem-solving, your child will learn to make more responsible decisions to care for our environment! A unique S.T.E.A.M program to be missed!

STORY SYNOPSIS

SOMETHING REALLY BAD HAS HAPPENED TO THE LAND OF POLLIWOGS!

They do not have enough clean water, the air quality is bad, the nature reserves and its wildlife are dying! Dr Woggles found out that an evil villain, Dis Asters, is responsible for damaging the environment. Dr Woggles know that there is an agency of junior heroes on Earth who can help him defeat Dis Asters. He travels all the way to Earth to gather help before it is too late!

The group of junior heroes assigned to help Dr Woggles are called The Polliwogs Superheroes. They are going to bring Dr Woggles on a journey around Singapore to find out how they can save the Land of Polliwogs.

Dr Woggles is recruiting the best of the best in this mission.
Will you be able to save the Land of Polliwogs & defeat Dis Asters?

SEMESTRAL REPORT SUMMARY

TERM 1

We are glad that your child is able to participate in our weekly Lasy enrichment class. Raising children right is critical. The first series of LASY, Playing with Purpose is "I Have Feelings", the lessons emphasize on Social Emotional Learning in 3 parts:

- 1) Being aware of their own feelings
- 2) Identifying what will help them feel better
- 3) Being aware of others' Feelings too.

This will be a good start to develop their confidence in expressing their feelings in words and also develop empathy towards others.

TERM 2

The second series is "I am in Control". The lessons emphasized on Social Emotional Learning in 3 parts:

- 1) **STOP** (Being aware of their own FEELINGS)
- 2) **THINK 1ST** (Identifying ways to calm down)
- 3) **OWNERSHIP** (Being Responsible for their own ACTIONS).

This will be a good start to develop their ability to have self control and learning how to make good choices when put in a situation.

Class Story

Lesson Updates on Class Dojo

Lesson 1: Loving our Park (Part 1)

In this story, Betty's Grandpa has been feeling unwell. As suggested by the doctor, Betty accompanies her Grandpa to the park for a morning walk. However, an accident happened and Grandpa almost fell! Turns out, there was a plastic bag on the floor and Grandpa slipped on it. Luckily, there was a kind man nearby and saved Grandpa from falling.

Children can see that by littering on the floor, the old people could accidentally fall and get injured. What happens if it is our grandparents who not
